E) RCM 1 Report:

I attended the Regional Service Committee Quarterly Meeting at the beginning of April. There was a lot of business on the Agenda and in the interest of not boring you to death I will be breaking up the information between this ASC and the next one. The following is an excerpt from the Regional Delegate Quarterly Report. Dear Area and Group Representatives, One of the challenges in NA service is communication directly to members of our region. We hope this quarterly report is a valuable part of your home group or Area business meeting. Julia and I would like to thank those of you that have participated in the Service /Structure Workshops. We appreciate your interest and participation in the fellowship. The second draft service system proposals are out and you can find the report, along with lots of other information about the project at the Service System Project webpage. Please continue to encourage members to go to [www.na.org](http://www.na.org) and

participate in the project. The approval draft of Living Clean and Planning Basics will also be available in April and we hope your literature committees will be reviewing the final drafts for approval at the 2012 WSC. World Service continues to ask for your financial support in these difficult times in order to carry the message worldwide. We currently have NA meetings in 130 countries and have a bit of work in front of us to carry the message to countries and cultures that are unaware of the hope we have to offer. For more information go to [www.na.org](http://www.na.org). Julia and I would also like to invite your area to participate in the 2 workshops we will be hosting at WNIRCNA. One will be in the revised Service Structure material and the other will be Am I Contributing to Recovery. We look forward to seeing you there.) We have been asked by RSC to create our annual Calendar of Events for our Area so that it can be posted on our website and the regional website. This is something that our Activities Subcommittee does every year but has not been done as of yet. It needs to be completed and sent. I have one expenditure this month for reimbursement of \$100.00. This was travel and hotel accommodations for RSC. Also I completed all of the banking changes that were requested. If there is anything that I can do for you or your group please let me know. I can be reached at [westpuget@wnir-na.org](mailto:westpuget@wnir-na.org). Yours in loving Service Blair A
